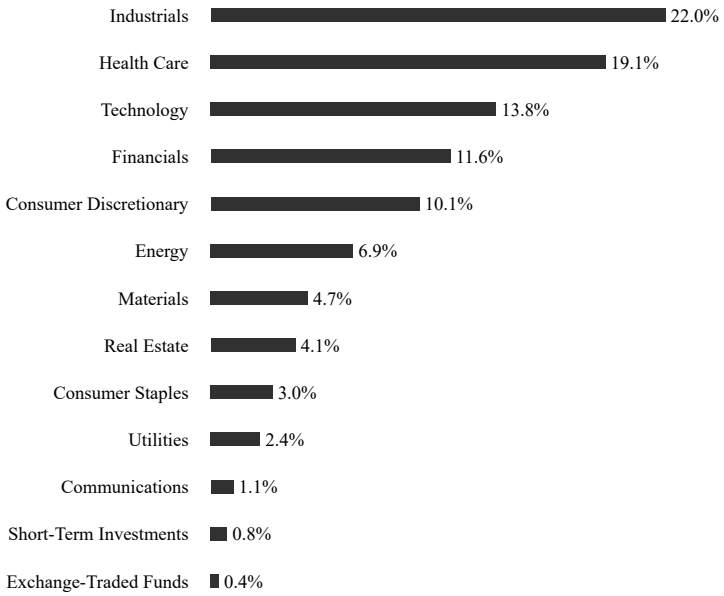
Composition of Net Assets (% of net assets)



Material Fund Changes

On January 8, 2026, Azimut Group, an independent global asset manager based in Milan, Italy, via its U.S. subsidiary, Azimut U.S. Holdings Inc., acquired the Adviser (the "Transaction"). The Transaction is not expected to result in any material changes in the day-to-day management of the Fund or the Adviser or to the Fund's investment objectives and principal investment strategies. In connection with the Transaction, the Adviser's parent company, NSI Holdco, LLC, is being renamed Azimut NSI, LLC.

The closing of the Transaction resulted in a change of control of the Adviser, which caused an "assignment" under the 1940, of the Fund's then current investment advisory agreement between the Trust, on behalf of the Fund, and the Adviser (the "current advisory agreement") and resulted in the automatic termination of such agreement with respect to the Fund, effective as of the closing of the Transaction. The Transaction also resulted in the termination of the then current sub-advisory agreements (the "current sub-advisory agreement") between the Adviser and sub-adviser to the Fund.

At a meeting held on October 7, 2025, the Board considered and approved a new investment advisory agreement between the Trust, on behalf of the Fund, and the Adviser with substantially identical terms to the current advisory agreement with respect to the Fund and a new sub-advisory agreement between the Adviser, on behalf of the Fund, and the sub-adviser, with substantially identical terms to the current sub-advisory agreement with respect to the Fund.

In addition, the Board approved interim investment advisory and sub-advisory agreements to permit continuity of management, if necessary, until shareholders of the Fund approved the new advisory agreement with respect to the Fund at a special shareholder meeting of the Fund. The terms of the interim investment advisory and sub-advisory agreements are substantially identical to those of the corresponding current investment advisory agreement except for their date, duration and, in the case of the interim advisory agreement, escrow provisions required by applicable law and with respect to the interim sub-advisory agreement that the sub-adviser will not be paid by the Adviser until the Adviser receives its payment under the interim investment advisory agreement.

A joint special meeting of shareholders (the "Special Shareholder Meeting") held on December 19, 2025, at which the new advisory agreement with respect to the Fund was being considered for shareholder approval was adjourned until January 7, 2026. The Special Shareholder Meeting was adjourned again until January 23, 2026, whereby shareholders of the Fund approved the new advisory agreement for the Fund. The new sub-advisory agreement with the sub-adviser was entered into with respect to the Fund. Shareholder approval was not required for the new sub-advisory agreement pursuant to the Fund's "manager-of-managers" exemptive relief from the Securities and Exchange Commission (the "SEC"). The new advisory agreement and sub-advisory agreement will not result in any material changes to the Fund's investment objective and principal investment strategies or to its portfolio management.
